

WOMAN WITH A PURPOSE - Apostle Feliciano Sangunji

Women were created by God with certain qualities that cannot be ignored, these qualities were created by God himself and they were put in there by purpose. The original word "Woman" in Hebrew means **from the womb of man**, so as the scripture declares: out of man's ribs woman was created.

Satan knows the qualities found in woman, and therefore he tries his outmost best to use them for his purpose. We see the great power woman exerted on her man Adam that he was able to disobey the Lord even though he knew the command given by God.

We are going to analyze what exactly the qualities are found in a woman that if used according to Gods original purpose can be a powerful tool to advance the kingdom of God.

- **Women are influencers**

As we already established above there is a great power of influence in a woman, not found anywhere else. Many great leaders have made a lot of decisions on the influence of their wives. We know that John the Baptist was beheaded because the king was influenced by his wife. Thus, is it is noteworthy to see that as lady you have great power to influence for the good cause of the kingdom of God. We can also see how Pontius Pilate's wife influenced him not to crucify Jesus.

...[18](#)For he knew that because of envy they had handed Him over. [19](#)While he was sitting on the judgment seat, his wife sent him a message, saying, "Have nothing to do with that righteous Man; for last night I suffered greatly in a dream because of Him." [20](#)But the chief priests and the elders persuaded the crowds to ask for Barabbas and to put Jesus to death.... Matthew 27:18-20.

We know Jesus was crucified, that because it was the will of God however, had it not been God's will, Jesus life could have been spared because of the woman's influence. Pontius Pilate tried everything to release Jesus, even by sending him to Herod for a second opinion and by making the people choose between him and Barabbas.

- **Women are persistent**

The quality of persistence has been put there by the Lord himself and if anything women are very persistent. If you look at Jesus parable in Luke 18:1-8 We read about the story of the unjust Judge who had no regard for man, because of the woman's persistence he gave the judgment she requested.

1Now He was telling them a parable to show that at all times they ought to pray and not to lose heart, 2saying, "In a certain city there was a judge who did not fear God and did not respect man...6And the Lord said, "Hear what the unrighteous judge said; 7now, will not God bring about justice for His elect who cry to Him day and night, and will He delay long over them? 8"I tell you that He will bring about justice for them quickly. However, when the Son of Man comes, will He find faith on the earth?"
